

## Have you lost your home?

### Advice on homelessness

If you find yourself homeless through no fault of your own then initially you should contact Cornwall Council.

**Telephone:** 0300 1234 161

### Hostel accommodation

We operate an 8 unit hostel on Treneere Estate in Penzance.

These units are self-contained flats provided under a six month assured shorthold tenancy and are under the supervision of a member of staff who provides support to the residents.

PHA grants a tenancy at the hostel after a nomination from Cornwall Council of an accepted homeless person or household.
